

Ski Lift Mechanic

Job description

Job Summary: Ensures the safe and efficient operation of all Montage Mountain Resorts ski lifts.

Essential Functions:

- Maintain inventory control
- Assure that all records are maintained and kept up-to-date, including all mechanical and operational procedures, daily maintenance, operational logs, lift failures and incidents
- Maintain responsibility and accountability during abnormal or unusual conditions, incidents, or system malfunctions
- Follow scheduled routine and preventative maintenance as needed
- Establish and maintain a work order system to fulfill repair requests
- Ensure compliance with ANSI standards and all Montage Mountain Resorts policies and procedures
- Identify problem areas (signs not visible, ropes not in place, potential hazards, etc.) and rectify them as soon as possible
- Communicate any variations from normal lift operating schedule (wind hold, delayed opening, etc.) to Ski Patrol, Guest Services and management team immediately
- Take charge of communication during a lift down-time situation
- Assist Ski Patrol with lift evacuation when needed
- Print, file, and ensure proper completion of daily operations logs
- Ensure that all morning pre-operational checks are completed properly
- Ensure all shut-down procedures are followed to ensure passengers are not left on lift and that lift is ready to operate the following morning
- Assist in the maintenance of lift load and unload ramps throughout the day
- Assist lift maintenance staff to ensure reliable operation of lifts
- Ensure cleanliness of lift buildings and other work areas

Knowledge, Skills & Ability:

- Must have a valid PA State Driver's License
- Familiar with ANSI B77 Code, Pennsylvania Code
- Strong communication skills (both written and verbal)
- Ability to remain calm in emergency situations
- Must be able to use hand tools

Education or Formal Training:

- High school degree or equivalent
- Background in ski lift maintenance preferred

Experience:

- Mechanical background

Working Environment:

- Primarily outdoors in a mountain environment with variable, and often extreme, weather conditions

- Some indoor work required
- Must be able to work weekends and holidays (as needed)

Physical Activities:

- Lifting, raking, pushing, pulling, bending
- Must be able to lift up to 50lbs

Job Type: Full-time

Salary: Based on knowledge and experience

Benefits:

- Dental insurance
- Health insurance
- Paid time off
- Vision insurance
- 401k
