Your ticket also includes festival entry, beer sampling, and a commemorative tasting glass. Early Bird tickets are on sale now, and all beer and music is included! Mark those calendars, and we look forward to celebrating our 9th year of Rhythm & Brews with all of you! With good weather, the event will be indoor/outdoor. This event is rain or shine.

Partnership

Vendors will be selected and announced after the application process is finalized. A limited number of vendors will be selected to participate in this year’s festival allowing for good product variety and maximized vendor profitability. Vendor load-in will take place between 9:00am and 5:00pm on Friday November 7, and after 9am on Saturday November 8. Generators or any other fuel/gas/burning equipment are not allowed indoors. Outdoor generators must run quiet and vent away from the festival grounds.

Each vendor will be provided with two (2) festival wristbands and two (2) tasting glasses. Vendor staff are required to be 18+ years of age and must be 21+ to receive the items listed above as well as participate in any samplings.

Vendor staff and affiliated parties must be present throughout the festival and must adhere to the guest service standards Montage Mountain puts in place. All members of the event, regardless of company or affiliation, agree to work toward the overall success of the event as a whole and understands that experience as a whole is more valuable than the sales at any single booth.

Partnership is very important to the team at Montage Mountain. We ask that vendors of all types help in promoting the event in shops, social media, and through word of mouth. Options are available to sell tickets to the event through consignment at no cost upfront. Vendors with the interest and ability to promote the event with us get preference in future considerations and festival placement.
